

Commission Contract – MARA BUSINESS Marketplace

Title: **Commission & Marketplace Agreement**

Date: [Insert date]

Between: MARA BUSINESS (the "Platform")

And: [Vendor Name] (the "Vendor")

1. Purpose

This agreement defines the commission and fee structure for vendors selling products on the MARA BUSINESS marketplace.

2. Commission Rate

The Vendor agrees to pay a commission on each successful sale as follows:

Sales Volume (per month)	Commission Rate
0 – 1,000,000 GNF	10%
1,000,001 – 5,000,000 GNF	8%
Above 5,000,000 GNF	6%

For foreign currency sales, the commission is calculated in USD equivalent at the prevailing exchange rate.

3. Payment Gateway Fees

Vendors are responsible for payment gateway fees (e.g., Stripe, Orange Money, LengoPay). These are automatically deducted from each transaction before payout.

4. Payout Schedule

- Payouts are processed **every 15 days** for orders marked as "delivered".
- Minimum payout: 50,000 GNF (or equivalent in vendor's currency).
- Payouts are made to the vendor's registered bank account or mobile money.

5. Additional Fees

- **Listing fee:** None for basic products (certain categories may have a small fee – see separate schedule).
- **Promotion fee:** Optional – vendor can pay to feature products.

6. Taxes

Vendors are responsible for all applicable taxes (VAT, sales tax, etc.). The Platform does not collect taxes on behalf of vendors.

7. Order Cancellations & Refunds

- If a customer cancels an order before shipment, no commission is charged.
- If refund is issued after shipping, the original commission is credited back to the vendor's next payout.

8. Termination

The Platform may terminate this agreement if:

- Vendor violates marketplace rules (counterfeit goods, misleading descriptions, poor customer service).
- Vendor fails to pay outstanding fees.

9. Liability

The Platform acts only as an intermediary. The Vendor is solely responsible for product quality, fulfillment, and customer satisfaction.

10. Acceptance

By checking the box “I accept the terms and the commission contract” during vendor application, the Vendor agrees to all of the above.
